

Building a complete Employee Handbook from scratch is a massive undertaking. To do this right, we need to balance comprehensive coverage with high readability.

Because this spans **57 distinct sections** ranging from legal compliance (like Indian Labour Laws and POSH) to modern workplace strategies (AI Usage and Hybrid Work), providing full, multi-page legal text for all topics at once would result in a massive wall of text.

Instead, I have structured this as a **Complete Corporate Employee Handbook Draft**.

Every single topic you listed is mapped out below with clear, operational text, policy guidelines, and standard compliance frameworks.

Corporate Employee Handbook

1. Introduction & Core Identity

Company Overview

Welcome to the team! Our company is dedicated to driving innovation, delivering exceptional value to our clients, and fostering a collaborative, growth-oriented environment for our people. Founded on the principles of excellence and integrity, we continuously strive to push boundaries in our industry.

Vision, Mission & Values

- **Vision:** To be a global leader in our industry, transforming how businesses and individuals thrive through innovative solutions.
- **Mission:** To deliver high-quality, reliable, and scalable products/services while maintaining a culture of continuous learning and employee empowerment.
- **Values:**
 - **Integrity:** We act with honesty and transparency in everything we do.
 - **Innovation:** We embrace curiosity and continuous improvement.
 - **Collaboration:** We win as a team, respecting diverse perspectives.
 - **Customer-Centricity:** Our customers' success drives our focus.

2. Workplace Integrity & Legal Compliance

Equal Employment Opportunity

We are committed to providing equal employment opportunities to all employees and applicants. All employment decisions—including hiring, promotion, compensation, and training—are made solely based on merit, qualifications, and business needs.

Anti-Discrimination Policy

We strictly prohibit discrimination of any kind. No employee or applicant will be faced with systemic or individual bias based on race, color, religion, caste, creed, gender, sexual orientation, gender identity, national origin, age, or physical disability.

Diversity & Inclusion

We believe that a diverse workforce drives innovation. We actively foster an inclusive environment where every employee feels safe, valued, and empowered to bring their authentic self to work.

Anti-Harassment Policy & POSH

We maintain a zero-tolerance policy toward harassment of any kind, including verbal, physical, or visual harassment.

Prevention of Sexual Harassment (POSH): In compliance with Indian law, we have a formal Internal Complaints Committee (ICC). Any unwelcome sexual advances, requests for

sexual favors, or offensive verbal/physical conduct will result in immediate disciplinary action up to termination.

Compliance with Indian Labour Laws

This handbook is aligned with applicable central and state labor legislations in India, including the Shops and Establishments Act, the Employees' Provident Funds Act, the Payment of Gratuity Act, and the Maternity Benefit Act. Wherever local state laws offer greater protections, local law supersedes this manual.

3. Talent Acquisition & Onboarding

Recruitment & Hiring Policy

Our recruitment policy ensures a fair, transparent, and rigorous selection process. Candidates are evaluated through structural interviews, technical assessments, and cultural alignment checks. Internal referrals are encouraged but undergo the same objective evaluation.

Employee Classification

Employees are classified to determine eligibility for benefits and overtime provisions:

- **Full-Time Regular:** Employees engaged to work the company's standard work week on a permanent basis.
- **Part-Time Regular:** Employees engaged to work fewer hours than the standard work week on a permanent basis.
- **Temporary/Contractual:** Employees engaged for a specific project or a limited duration.

Employment Contracts

Upon selection, employees receive an official Offer Letter followed by an Employment Contract detailing compensation, role definition, confidentiality terms, and notice periods. This contract must be signed and returned prior to the date of joining.

Background Verification

All employment offers are contingent upon the successful completion of background checks. This includes verification of educational degrees, past employment history, criminal record checks, and reference checks. Distortions or omissions will lead to the immediate revocation of the offer or termination.

Joining Formalities

On your first day, you must complete all documentation, which includes submitting identity proofs (PAN, Aadhaar), educational certificates, relieving letters from your previous employer, bank account details for payroll, and standard provident fund (EPF) forms.

Probation Policy

All new full-time employees undergo a standard **probation period of 6 months**. This period allows both the company and the employee to evaluate role alignment and performance capabilities.

Confirmation Process

Upon completion of the probation period, your manager will conduct a performance review. Based on the evaluation, your employment will be formally confirmed in writing, extended for a specified period, or terminated if performance standards are not met.

4. Attendance, Hours & Flexibility

Working Hours

Our standard work week consists of **45 hours** (typically Monday to Friday, 9:00 AM to 6:00 PM, including a 1-hour break for lunch and refreshments). Specific team roles may require staggered shift timings based on client requirements.

Attendance Policy

Employees are expected to log their daily attendance through our HR Management System (HRMS). Frequent tardiness or unexcused absences disrupt operations and will be subject to disciplinary review. If you are going to be late, notify your manager by 9:30 AM.

Work From Home (WFH) Policy

Occasional WFH is permitted with prior managerial approval for specific reasons such as personal emergencies, severe weather, or health recovery. Employees must ensure a reliable internet connection and a quiet environment to maintain standard productivity.

Hybrid Work Policy

Our corporate framework operates on a hybrid model. Employees are required to work from the assigned company office for a minimum of **3 days per week**, with the remaining 2 days eligible for remote work, subject to alignment within individual functional teams.

5. Leave & Public Holidays

Leave Policy

We believe in maintaining a healthy work-life balance. Employees are eligible for the following annual leave allocations (calculated pro-rata from the date of joining):

- **Earned Leave / Privileged Leave (EL/PL):** 15 days per year (accrued monthly, eligible for carry-forward up to a maximum limit).
- **Casual & Sick Leave (CL/SL):** 12 days per year (intended for brief illnesses or unplanned personal matters; cannot be carried forward).
- **Maternity Leave:** 26 weeks of paid leave for eligible female employees, in accordance with the Maternity Benefit Act.
- **Paternity Leave:** 5 consecutive working days of paid leave for new fathers.

Public Holidays

The company declares a list of **10 to 12 public holidays** at the start of each calendar year. This list includes national holidays (Republic Day, Independence Day, Gandhi Jayanti) and mandatory regional state festival holidays.

6. Compensation & Performance Management

Payroll Policy

Salaries are processed monthly and credited directly to your registered bank account on the **last working day of each month**. A digital payslip detailing earnings and deductions is made available via the HRMS portal simultaneously.

Salary Structure

Your Gross Salary is structured into various components optimized for tax compliance under Indian Income Tax guidelines:

- **Basic Salary:** Fixed core component (typically 40-50% of CTC).
- **House Rent Allowance (HRA):** For housing expenses.
- **Special Allowance:** Balancing component.
- **Statutory Benefits:** Employer's contribution to Employee Provident Fund (EPF), Gratuity provisions, and statutory bonuses where applicable.

Performance Review

We conduct formal performance evaluations **annually**, with an optional mid-year check-in. This collaborative process measures your deliverables against objectives set at the start of the review period and helps identify career development paths.

Promotion Policy

Promotions are merit-based and tied directly to consistent high performance, leadership potential, business requirements, and the capability to take on advanced responsibilities. Promotion cycles typically align with the annual review process.

Training & Development

We support continuous professional growth. The company provides internal training tracks, access to e-learning platforms, and external certification sponsorships subject to budget availability and managerial approval.

7. Conduct, Ethics & Workplace Behavior

Code of Conduct

Employees are expected to maintain professional decorum, treat colleagues, clients, and partners with respect, and represent the company positively at all times, both inside and outside the office environment.

Professional Ethics

We hold ourselves to the highest ethical standards. Employees must avoid any actions that discredit the organization, misrepresent data, violate laws, or compromise quality benchmarks.

Workplace Behavior

We encourage an open-door policy but enforce strict boundaries regarding appropriate behavior. Disruptive behavior, workplace bullying, corporate politics that harm productivity, or physical altercations will face immediate disciplinary action.

Conflict of Interest

Employees must avoid any financial, business, or personal activity that conflicts with the interests of the company. Engaging in external employment, freelancing, or advising competitors while employed here is strictly prohibited without explicit written consent from the Management.

Whistleblower Policy

We encourage employees to report suspected unethical behavior, malpractice, fraud, or violations of law without fear of retaliation. All reported concerns are investigated thoroughly and kept highly confidential.

Disciplinary Action

Violations of company policies will lead to a structured disciplinary process:

1. **Verbal Warning:** For minor, first-time infractions.
2. **Written Warning:** For recurring issues or moderate infractions.
3. **Suspension/Termination:** For severe misconduct, continuous non-performance, or legal/ethical breaches.

8. Data Privacy, IT & Security

Data Privacy Policy

We protect the personal data of our employees, clients, and vendors. Employees must handle all personally identifiable information (PII) in compliance with standard global and local regulations (such as the Digital Personal Data Protection Act).

Information Security Policy

All company data stored on laptops, servers, or cloud storage is corporate property. Employees must not transfer sensitive data to personal storage accounts, unapproved applications, or external third parties without explicit authorization.

AI Usage Policy

While we encourage innovation, using public generative AI tools (such as ChatGPT) with proprietary source code, client data, or internal confidential text is strictly prohibited. Only company-approved enterprise AI instances may be used for work deliverables.

Confidentiality Agreement

Employees are bound by a Non-Disclosure Agreement (NDA) integrated within their employment contract. This restriction applies during your employment and continues after your separation from the firm.

Intellectual Property

Any software code, designs, documentation, strategies, or workflows created by an employee during their employment and using company resources are the **exclusive intellectual property (IP) of the company**.

Company Assets Policy

Laptops, monitors, mobile devices, and office furniture assigned to you are company property. Employees are responsible for exercising reasonable care in protecting these assets from damage, loss, or unauthorized use.

Laptop Usage Policy

Laptops must be kept secure at all times. Employees must not install unapproved software, bypass corporate firewalls, or disable antivirus software. Laptops must be locked (**Win + L** or **Ctrl + Cmd + Q**) whenever you step away from your desk.

Internet Usage Policy

The office internet network is provided for business-related tasks. Accessing illegal websites, downloading pirated material, or using bandwidth-heavy non-work streams during working hours is strictly prohibited.

Email Policy

Your official corporate email address must be used exclusively for professional communications. Sending offensive messages, spamming, or using official email IDs to register for personal external services is forbidden.

Social Media Policy

Employees must not post comments, photographs, or opinions that disclose corporate strategies, client information, or damage the brand reputation of the company on personal social media platforms.

Remote Work Security

When working remotely, employees must connect via the company-provided Secure Virtual Private Network (VPN). Avoid working on public, unencrypted Wi-Fi networks (such as coffee shop networks) without activating secure corporate protocols.

Cybersecurity Guidelines

Be vigilant against phishing emails. Never click on suspicious links, download attachments from unknown senders, or share internal company operations with outside individuals over communication channels.

Password Policy

Passwords for all corporate accounts must follow strong complexity guidelines (minimum 12 characters, mixing uppercase, lowercase, numbers, and symbols). Passwords must be

updated every 90 days, and Multi-Factor Authentication (MFA) must be enabled on all available systems.

9. Operations, Travel & Facilities

Visitor Policy

All external visitors, clients, or vendors must register at the reception desk, carry a temporary visitor pass, and be accompanied by a company host at all times while within office boundaries.

Travel Policy

Domestic and international travel required for business development or client delivery is fully covered or reimbursed by the company. Travel modes and hotel accommodations are categorized based on standard corporate tier levels.

Expense Reimbursement

All business-related expenses (client entertainment, local travel, internet allowance for remote work) must be claimed through our expense portal. Claims must be supported by valid tax invoices and submitted within 30 days of the expense incurrence.

Health & Safety

We are committed to maintaining a safe working environment. Fire exits must be kept clear, and ergonomics should be practiced. In the event of an emergency or injury on-site, notify the floor warden or HR team immediately.

10. Separation, Exit & Offboarding

Exit Process

An employee wishing to resign must submit a formal resignation via email or HRMS to their reporting manager. The standard notice period is governed by your individual employment contract (typically **30 to 90 days**). The company reserves the right to waive or shorten the notice period based on operational convenience.

Full & Final (F&F) Settlement

Upon your final working day, the HR and Payroll teams will calculate your outstanding dues, including prorated salary, encashment of eligible earned leaves, and deductions for unreturned assets. The F&F settlement is disbursed within **30 to 45 days** from your final date of separation.

Experience Letter Policy

An official Experience Certificate and Relieving Letter will be issued along with the Full & Final Settlement, provided the employee has successfully completed the exit clearance process, handed over all responsibilities, and returned all company assets.

Reference Check Policy

The HR department handles external reference check requests from future employers. We confirm only standard factual details: dates of employment, final designation held, and verification of clean separation.

Document Retention

The company retains basic employment records, tax declarations, and contracts for a legally mandated period following an employee's exit to comply with tax, statutory corporate audits, and labor regulations.

11. Appendix: Forms, Declarations & Contacts

Forms & Templates

All standard application templates—such as Leave Applications, Expense Reimbursement Excel sheets, Asset Declaration Forms, and Gratuity nomination forms—can be accessed directly via the **Documents section on our internal HRMS portal**.

Employee Declaration

Every employee is required to digitally sign an acknowledgment certifying they have read, understood, and agreed to adhere to the terms and policies outlined in this Employee Handbook.

HR Contact Information

For clarifications regarding any policy within this document, reach out to the HR Operations team:

- **HR Helpdesk Email:** hr@company.com
- **Internal Intercom Extension:** 101
- **Office Location:** HR Operations Zone, 3rd Floor.

Corporate Policy Document: Prevention of Sexual Harassment (POSH) at the Workplace

Policy Reference: Corporate-HR-2026-POSH-01

Effective Date: July 1, 2026

Version: 3.0

Scope: All Employees, Retainers, Consultants, Contractors, Interns, and Visitors globally, with specific statutory compliance managed under the Indian POSH Act, 2013.

1. Purpose & Core Commitment

The company is dedicated to creating a safe, healthy, and secure work environment that enables employees to work without fear of prejudice, gender bias, and sexual harassment. We maintain a **zero-tolerance** policy toward any form of sexual harassment at the workplace.

This policy has been framed in accordance with the *Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013* ("POSH Act") along with its corresponding rules. While the Indian statute specifically addresses the protection of women, our corporate ethos extends a **gender-neutral protection umbrella** to all individuals. Every individual, regardless of gender identity, expression, or orientation, is entitled to equal protection, a safe working environment, and a fair, unbiased redressal mechanism.

2. Definitional Scope

To prevent ambiguity, the company relies on explicit legal and operational boundaries to define actions, roles, and environments:

- **Sexual Harassment:** Includes any one or more of the following unwelcome acts or behaviors (whether directly or by implication):
 - Physical contact and advances.
 - A demand or request for sexual favors.
 - Making sexually colored remarks or jokes.
 - Showing pornography or sexually explicit visual media.
 - Any other unwelcome physical, verbal, or non-verbal conduct of a sexual nature.
- **Quid Pro Quo ("This for That"):** Explicit or implicit threats or promises regarding an individual's employment status, performance ratings, promotions, or salary adjustments linked to sexual favors.
- **Hostile Work Environment:** Creating an intimidating, oppressive, hostile, or offensive working environment through pervasive, unwelcome sexual jokes, comments, gestures, or digital media that interferes with an employee's work performance.
- **Workplace Extended Definition:** The "workplace" is not restricted to the physical boundaries of the corporate office. It encompasses:
 - All regional and satellite offices, laboratories, and co-working spaces.
 - Any social or professional event, conference, or boundary-crossing off-site trip sponsored or organized by the company.
 - Company-provided transport vehicles or commutes.
 - **The Virtual Workplace:** Any digital interaction occurring via company-owned communications channels, including Slack, Microsoft Teams, WhatsApp, corporate email accounts, Zoom, or video conferences during hybrid or remote work windows.

3. The Internal Complaints Committee (ICC)

In compliance with Section 4 of the POSH Act, the company has established a formal **Internal Complaints Committee (ICC)** at each administrative branch office employing more than 10 individuals. The composition of the ICC is strictly governed by statutory mandates to ensure complete fairness, objectivity, and transparency.

3.1 Committee Composition Matrix

PRESIDING OFFICER (1)	
• Senior-level woman employee	

Statutory Quorum Rule: At any given formal hearing or meeting of the ICC, at least **one-half (50%) of the total members** present must be women. The committee's tenure is capped at a maximum of three years from the date of constitution.

4. Redressal & Investigation Process

The company guarantees a structured, legally sound, and strictly time-bound framework for handling, investigating, and closing complaints of sexual harassment.

4.1 Step-by-Step Resolution Workflow

1.Filing the Written Complaint:Within 3 Months.

The aggrieved individual must submit a formal written complaint (including supporting documents, names, and contact details of witnesses) to the ICC via the secure email posh.icc@company.com within 3 months of the incident. In the case of a series of incidents, within 3 months from the date of the last incident.

2.Option for Conciliation:Before Inquiry Initiation.

Before initiating a formal inquiry, at the explicit written request of the complainant, the ICC may take steps to settle the matter between them through conciliation. **No monetary settlement** can be made the basis of this conciliation. If a settlement is reached, the ICC records it and closes the file.

3.Formal Inquiry Execution:Timeline: 90 Days.

If conciliation is not sought or fails, the ICC will initiate a formal inquiry. A copy of the complaint is shared with the respondent within 7 working days, allowing them 10 working

days to file a reply. The ICC conducts hearings, interviews witnesses, and evaluates evidence under principles of natural justice. The inquiry must be completed within 90 days.

4.Submission of Inquiry Report:Timeline: 10 Days.

Upon completing the inquiry, the ICC compiles a comprehensive findings report. This report is submitted to the Management and shared with both parties within 10 days of the inquiry's conclusion.

5.Implementation of Action:Timeline: 60 Days.

The company Management must act on the recommendations and disciplinary actions proposed by the ICC within 60 days of receiving the final report.

4.2 Interim Relief Measures

During the pendency of an inquiry, upon a written request from the complainant, the ICC may recommend interim relief to management to prevent continued distress. These measures include:

- Transferring either the complainant or the respondent to a different department or regional office.
- Granting the complainant paid leave for up to 3 months (in addition to their standard leave balance).
- Restructuring reporting lines so the respondent no longer evaluates the complainant's performance.

5. Confidentiality, Anti-Retaliation, & Protections

5.1 Absolute Confidentiality Mandate

In accordance with Section 16 of the POSH Act, the identity of the complainant, respondent, witnesses, and any details regarding the inquiry proceedings or recommendations are strictly confidential.

- This data **cannot be published, communicated, or made public** in any manner.
- Any employee, including ICC members or witnesses, who breaches this confidentiality clause will face a direct penalty, including immediate suspension or monetary deductions from payroll.

5.2 Anti-Retaliation Guardrails

The company strictly prohibits retaliation against any individual who files a complaint in good faith, reports a perceived violation, or participates as a witness in an ICC proceeding. Retaliatory actions—such as negative performance updates, social isolation, micro-aggressions, or withholding assignments—will be treated as a major disciplinary breach.

5.3 Protection Against Malicious Complaints

To prevent the misuse of this protective framework, if an inquiry reveals that a complaint was made with malicious intent or that false or forged evidence was knowingly produced, the ICC will recommend that management take disciplinary action against the complainant.

Important Clarification: A mere inability to substantiate a complaint or provide adequate evidence does not equate to a malicious intent. Malice must be explicitly proven with intent to deceive.

6. Disciplinary Actions & Penalties

If the ICC concludes that the allegations against the respondent have been proven, it will recommend specific disciplinary penalties to management. Penalties are graded based on the severity of the offense:

Severity Level	Typology of Conduct	Corrective / Penal Action
Minor	Isolated inappropriate remarks, text jokes, or unwelcome non-verbal gestures.	Formal written warning, mandatory behavior counseling, and a documented apology letter.
Moderate	Persistent unwelcome advances, repeated requests for dates after rejection, or micro-invalidations.	Withholding of promotion, stalling of annual increments, transfer, or suspension for a defined period.
Severe	Demands for sexual favors (Quid Pro Quo), overt physical contact, intimidation, or stalking.	Immediate termination of employment for cause without notice or compensation.

Financial Deductions: In addition to disciplinary penalties, the ICC can recommend a monetary deduction from the respondent's salary to compensate the complainant for mental trauma, distress, or medical expenses incurred. If the respondent fails to pay or their employment is terminated, the dues can be recovered through legal channels.

7. Institutional Obligations & Awareness

The company takes a proactive stance on preventing workplace harassment. Our operations framework guarantees:

- **Mandatory Training Modules:** Every employee must undergo an interactive POSH awareness training module within 30 days of joining, followed by an annual refresher course.

- **Managerial Accountability:** Managers who observe harassing behavior or receive informal disclosures but fail to direct the employee to the ICC will face inquiry for non-performance of duties.
- **Legal Recourse:** If an incident constitutes a violation under the Indian Penal Code (such as physical assault), the HR team will actively assist the aggrieved employee if they choose to initiate independent parallel criminal proceedings with local law enforcement.

8. Policy Governance

Entity	Primary Responsibility
Management / Board	Timely execution of ICC recommendations, allocation of operational budgets for awareness.
Internal Complaints Committee	Unbiased inquiry execution, maintaining documentation, annual report filings to district officers.
HR Operations	Employee training orchestration, executing interim reliefs, ensuring onboarding compliance.

9. Employee Declaration

By accessing the corporate network and complete HRMS workspace, you verify that you have read this Prevention of Sexual Harassment Policy, understand your civil rights and boundaries, and agree to maintain a workplace that respects individual dignity.
